Re: *Domingo Castillo Marcelino et al. v. 374 Food, Inc., et al.,*  
16 Civ. 6287 (KPF)

Dear Judge Failla:

On behalf of my client, Michael Faillace, Esq., and in light of our prior conferences with the Court, I am writing to ask Your Honor to relieve Mr. Faillace and his firm from representing Plaintiff Domingo Castillo Marcelino in the above-captioned matter. Mr. Faillace stands ready to make a formal application to withdraw from this case if directed to do so by the Court.

Under the circumstances presented in this case, I ask that Your Honor appoint *pro bono* counsel to represent Mr. Marcelino, who I have been advised is indigent.

Respectfully submitted,
